Shooters are encouraged to dress-up for Halloween.

Optical sights are allowed on rifles and shotguns only. Use of any magnified sight on either rifle or shotgun puts you in the Magnified Division. Optical Sights and Iron sights will put you in No Magnification Division. The vintage division is for those shooters shooting WWII era or older weapons. All weapons need to be from that era. The only exception to this is that you may use a modern pump shotgun. If you use an auto shotgun it **must** be period specific. No "built/race" handguns allowed in the Vintage division.

Bring at least 100 rounds for the rifle, 100 for the pistol, 20 slugs, and 50 rounds of shot for the shotgun. Rifle may use any magazine with unlimited capacity. Pistols may load to capacity with no extended magazines. Holsters may be tactical thigh rigs or IDPA approved type holsters. Shotguns will be limited to six rounds in the magazine with one in the chamber.

Lunch will be provided. We will have raffles you may enter.

If you don't leave bruised and tired, you did not try hard enough. We look forward to seeing you at the match.

All profits will be donated to Todd Walker and his family for medical expenses.
